Roche is global pioneer in personalised healthcare. A unique constellation of strengths positions us to transform healthcare: We have two divisions: diagnostics and pharmaceuticals - all under one roof which is quite unique in the healthcare industry and helps us in our quest to find new solutions for patients across the entire spectrum of healthcare: prevention, diagnosis, treatment and monitoring.

Doing now what patients need next

We are looking forward to personally welcoming you to this interesting tour at F. Hoffmann – La Roche AG in Basel.

Please find attached a separate document with directions. We suggest to travel by public transportation, as the visitor parking place is limited due to the construction works around the site. The closest parking is at the Museum Tinguely.
